from. The D.S.P., C.H. Station of Bangalore

SUBJECT.

Police Orders regarding the duties of Prosecuting Inspector in the C.H. Station

Now that a Prosecuting Inspector has been appointed for the C.H. Station of Bangalore, it has become desirable to frame rules regarding His duties, &c. The proposed rules are based upon Paras 148, 149, 150 & 152 of the Madras Police Orders with slight alterations to suit local conditions.

Vide pp. 29 & 30 of Vol I of Madras Police Orders

The proposed 1st rule is "The Prosecuting Inspector shall appear in all original cases." But the Madras rule is "The Supdt. shall decide what original cases the Prosecuting Inspector will conduct." It seems that it may be difficult for the Prosecuting Inspector to appear in all the original cases in the Stations, but if a change is required the D.S.P. will propose it later on. In Madras, the Supdt. is to arrange for the prosecution when the Prosecuting Inspector cannot attend to a case. Here the Circle Inspector is to arrange for the prosecution. This seems unobjectionable.

The second rule is based on [illegible]

S. I.—R. P. B.—12-1915.—10,000

the Madras Orders & may be approved - the Bureau Inspector is to appear in appeals only before D.S.C. Magistrate. The other proposed rules may also be approved.

Submitted for orders with a draft for approval.

Please see L.V.C. & Notes (5) & (6) on page 6.

The D.S.P. has given no figures to support his case, but it is a matter of common knowledge that the cost of foodstuffs has increased very greatly during the last year. When war prices will come down again after the war it is impossible to say. Unless things go much better than most people expect in this connection, this proposal may be sanctioned for the period of the war, when the question will be reconsidered in the light of future developments.

Sir,

P.O.193 (C) Para (2)
P.O.194 (B) Para (6)

I have the honor to invite a reference to the P. O's noted on the margin, prescribing the pattern of turban to be used by Indian Inspectors and Sub Inspectors. On account of its great weight, this pattern is found to be very cumbersome on journeys by rail. A turban tied on the pattern of what is worn by Hindu Inspectors and Sub Inspectors in the Madras Police would be much more comfortable, and I forward herewith a sample, the colour of the cloth used being Navy blue instead of red, as in Madras.

2. As the existing pattern is reported to be inconvenient only when travelling by rail, I propose to restrict the use of the new pattern only to ~~the~~ Inspector and Sub Inspectors of the Railway Police when travelling. The Civil and Military Station Police will continue to wear the present head dress, which will be used by the Railway Police also on all ceremonial occasions and whenever Inspector and Sub Inspectors have to appear before courts

courts or any officials.

3. If the above suggestion is approved, I shall submit a draft for amending the P. O's referred to above.
